Casa Pedro is a pristine Hacienda style Villa located on the south sides, prestigious Santa Barbara street. The Old World craftsmanship, manicured tropical gardens and one of the largest swimming pools in the area, are only a few of the unique amenities offered by this private residence. Not to mention the interior garden courtyard, private in ground jacuzzi surrounded by tropical plants, partial bay and city views. Throughout the years the owners have added their unique luxury touches to Casa Pedro, but they have always taken special care, to respect the Architectural integrity which shows the moment you cross the thresh hold into the ample entryway.
